***Daniel Gohstand is one of America's premier Designers and Photographers. With offices in San Francisco, California, and Antigua, Guatemala, his services cover all aspects of Design and Visual Consulting, including:***

### ***Photographic Lecturer and Guide***

***Benefit from Daniel's international photographic experience and unique personal approach through photographic workshops and artistic and technical support for cruise lines, resorts, five star hotels, and individuals! His talents are available for all ranges and settings, from children to seniors, beginners to professionals, in group classes or giving one-on-one instruction on land or sea. Daniel may personally accompany you or your group on its next excursion, documenting, and offering support as you go! His first-hand knowledge of a variety of destinations affords him a unique glimpse into locations and cultures encountered. He is bilingual English/Spanish. Reap the most from your next adventure!***

### ***Architectural Design***

***Create a unique living space with Daniel's dynamic vision. Whether remodeling a classic style, or building an exciting new venture, Daniel's keen visual insight and experience with his own homes makes your dreams tangible. Design your environment's visual quality as wisely as you will its structural.***

### ***Landscape Architecture***

***Continue your inner desires to your exteriors with Daniel's natural design experience. The owner of one of Nicaragua's premier, twenty-two acre fincas, Daniel's application of local flora and natural textures will extend the creativity of your living space, utilizing your entire property to its fullest potential.***

### ***Interior Design, Styling, Decorating, Staging***

***Finish your space with clean and impeccable taste. Daniel's masterful eye and attention to detail deliver a new and lasting artistic expression to your unique world.***

### ***Documentary Photography, Hi-Resolution Video, Aerial and Underwater Video***

***As one of America's premier photojournalists, Daniel will uniquely document your adventure, event, property, construction project, or undertaking- from ground, sea, or air!***

***Purchase Daniel's memorable images via [www.danielphoto.com](http://www.danielphoto.com) to dynamically decorate your new space, or for use in publication or web sites. His images are a striking addition to any setting.***

***Director of Photography/ Cinematic Stills Photographer***

***Utilize Daniel's unique perspective to frame your cinematic production, or document its creation. No one frames a shot or captures emotion like Daniel!***

***Business Consulting/ Relocation***

***Excel in business abroad utilizing the savvy of an international entrepreneur. Avoid the pitfalls so many encounter. Your staff will excel with local and Western clientele by learning the dynamics unique to the native culture. Make the system work for you in private or group lessons, lectures or seminars. Utilize Daniel's experience and resources to be instantly connected, and greatly ease your transition.***
